

ACEMAPP STUDENT GUIDE

Welcome To ACEMAPP

ACEMAPP is an online document management, learning and certification system. It is your responsibility to stay up to date with your ACEMAPP account, including checking your inbox for reminders and alerts. You are in jeopardy of losing your clinical rotation placement(s) if you do not complete all of your requirements, courses and assessments.

1. Locate your welcome email from ACEMAPP

You will receive an email from ACEMAPP which will contain a link allowing you to set your password.

2. Log in to your ACEMAPP account

Navigate to acemapp.org and log in with your email address and password. When you log in you will be asked to agree to the FERPA consent, the Honesty Pledge and the Terms and Conditions.

3. Complete each component of your student profile

This information is shared with administrators at your school/organization. Please keep this information up-to-date.

4. Make payment, if required

Some schools require students to pay the \$50 ACEMAPP membership fee. If your school requires payment, click "Make Payment" from your dashboard. If you have problems with processing a credit or debit card, contact PayPal at 1-888-221-1161.

5. Complete requirements, forms and documents

Your school or clinical site may require forms and/or documents before you can complete a clinical rotation.

6. Complete all courses and assessments

HIPAA and Bloodborne Pathogen courses will be automatically assigned to you. If you are assigned additional courses, you will receive an email. Upon completion of the courses, you must take any accompanying tests.

7. Verify completion

Your account dashboard will show green checkmarks when all required components are complete.

8. Log in to ACEMAPP to maintain and confirm compliance

You will receive an email when something is close to expiring.

Contact your school/organization with any additional questions.
